**LIONS CLUB, FIREMEN TO  
STAGE CHRISTMAS PARTY**

Torrance Lions club, with the cooperation of members of the Fire department, again this year will sponsor a Christmas party for youngsters of the community.

"Every cent raised will be spent on the children," Ridge-way said, "and there will be no paid programs. It all is on a volunteer basis, with the youngsters getting the benefit of all funds raised."

Lindsey D. Ridgeway was named chairman of the committee, assisted by W. B. Hickcox, Capt. Roy Winters, George Colburn and Henry Berkowitz.

An offer of the Moose lodge for assistance in the party was accepted, and other organizations and service clubs in Torrance will be invited to aid. "We hope to be able to provide a big party in the Civic auditorium for 2,000 children without resorting to personal solicitation," Chairman Ridge-way said. "However, if it is necessary to ask for donations, we know that the people will respond with the same generosity which made possible a glimpse of Santa Claus for some 1600 children last year. It was the only Christmas many of them had."

The party consisted of a program of music, a sacred cantata, movies, Christmas carols, with Santa himself present. Each child received a bag containing nuts, fruit and a stick of peppermint candy. The money sur-

plus was spent in providing "Christmas" for some unfortunate youngsters of the community.

"Every cent raised will be spent on the children," Ridge-way said, "and there will be no paid programs. It all is on a volunteer basis, with the youngsters getting the benefit of all funds raised."

**Bike Rider, II,  
Hit By Car**

Daniel J. Lee, 11 years old of 1918 Martina ave., suffered minor injuries yesterday afternoon when the bicycle on which he was riding was struck by a car driven by Owen C. Smart, 1877 222nd st., between Arlington and Martina avenues on 218th st.

Smart told police that he was going between 15 and 20 miles an hour when the boy came out of an alley on his bicycle. He said he was unable to stop in time to avoid the accident. Smart was not held.

Young Lee was taken to the Harbor General hospital, where two stitches were taken in his chin and he was released.

**Dr. Harrison  
Gives Warning**

Dr. W. J. Harrison, local physician and surgeon, yesterday declared that his office and his practice has nothing to do with solicitations being made by one Golden State Medical foundation.

"The foundation, it was said, is soliciting memberships in Torrance on the promise of providing medical service at 50 percent of regular cost and drugs at 60 percent of the market price, through Dr. Harrison.

"We have nothing to do with it, and I wish to warn the people being solicited in my name that they are victims of a falsehood," Dr. Harrison said.
